The Lawrence & Margaret Lang Award for Family Achievement

The family of Lawrence & Margaret Lang has donated a trophy for family achievement. The purpose of this award is to encourage families to work together for a common goal at agricultural fairs and to provide recognition for their number of points at each annual Shawville Fair. The award shall be kept on public display at the Pontiac Agricultural Society office.

Rules:

-A family group shall be two or more people living in the same household.

-For every class included in the official prize list, both livestock and non-livestock, three points shall be allowed for first place, two points for second place and one point for a third place winning. Five points shall be awarded for each department in which the family exhibits.

-Each family shall be responsible for recording its own winnings on the tally sheet available at the Pontiac Agricultural Society office. The sheet must be returned to the office by September 22, 2017.

-In the event of a tie in points, the winner shall be the family with the greatest number of first places, and in the event of a dispute, the decision of the Directors shall be final.
