- ¼ teaspoon salt

Pour boiling water over dates and simmer for 8 to 10 minutes. Cool. Cream fat; add vanilla and cream together. Gradually add sugar, blending thoroughly. Add eggs and beat well. Sift dry ingredients together and add alternately with date mixture. Start and end with dry ingredients and beat smooth after each addition. ½ cup cream
1½ cups sifted icing sugar

School Days

Growing up in this day and age,
With free expression all the rage,
Our young ones learn when starting
school That reading's fun and maths is
cool While writing's not the least bit
boring It really is so much like drawing.
For every child it is essential
To realize their full potential
And teachers always do their best
To stimulate their interest.
When years of schooldays end at last
With all examinations passed,
Will the children reminisce
And say, "Our schooldays we will miss"
And as the final day arrives,
"They were the best days of our lives"

Judging to commence Thursday, August 30 at 9:00 a.m., and only the show committee can be present during judging. If entries are removed before the designated time no prize money can be awarded.**

Purchase of Exhibitor Numbers: In the hopes of increasing exhibits in the Horticulture Division, anyone wishing to exhibit but does not want to purchase a full weekend pass to the 2018 Shawville Fair can purchase an exhibitor number for \$10.00. The \$10.00 fee allows you exhibiting rights **ONLY** in the Horticulture division. It does not allow entry to the 2018 Shawville Fair. Entry to the grounds will be permitted on Monday, September 3, 2018 after 3:00 p.m. to pick up entries. Anyone purchasing a full weekend pass (with or without rides) will still obtain all exhibiting privileges.

Prepare your entry form(s) and entry tags (to be obtained from the Fair office) at home as you prepare your entries for showing. List your entries on the entry form and complete an entry tag with your name and exhibitor's number and securely attach the tag with string or rubber bands (not taped) to the exhibit.

Horticultural exhibits (specimen cut flowers, potted plants and specials – collections, displays & planters) must have been grown by the exhibitor and should be correctly labeled with plant name and variety using botanical &/or common name, whenever possible. Any class description with "NIP" represents Named if Possible.

Prepare and condition all plant material promoting long-lasting turgidity and freshness for the duration of the Fair. Grooming – remove any soil, spray residue, insect remains, damaged or dead florets or leaves, etc. from the specimen. Remove all foliage, leaves which may be underwater in the container as this causes decay and bacteria in the water. Container-grown plants should have a clean soil surface and container.

Pontiac Agricultural Society, its Directors, Officers, Show Committee and Employees will take all reasonable precautions to ensure safety of the exhibits, but they cannot be responsible for any lost, stolen or damaged articles, however caused. Only one entry per exhibitor to a class, except in "any other" (A.O.V.) class, where any number of entries may be shown provided the exhibits are of different plants and no class is listed in the schedule for the plant. No sub-divisions are permitted for any class, regardless of the number of entries.

When any flower show exhibit has been specially chosen by any Pontiac Agricultural Society board member to be used for display purposes at the special Fair events, a special bonus will be paid. These exhibits will be removed from the flower show tables and replaced with a sign indicating the exhibit was chosen for display purposes.
